ignorance, bigotry, and oppression, political and religious, continues; therefore,
"Beachard That we anter our emphatic aguerance, objects, and oppression, politi-cal and religious, continues; therefore, "Resolved, That we enter our emphatic protest sgainst the appropriation of public money or property by city, State, or na-tional authority for the establishment or support of sectarian schools or institu-tions.

tions.

"Resolved, That every such appropriation is a violation of the ascred principles of religious liberty, and equality before the civil law of all denominations, principles which have been the glory of our institutions in the past, and have been illustrated in the complete securation and independ-

of Church and State.

lessolved, That any and every religious which attempts to support its churchist.

"Resolved, That any and every religious set which attempts to support its office on a general licket.

It shall have general control of the government of the city, and have power to any of all good eitirens.

"Resolved, That every such appropriation of public monies raised by general control of the government of the city, and have power to only order regular expenditures on a tirez-fourth vote, and those involving an increased the schools now—with a liberality worthy a great Republic—offer, iree of cost, to every child in the State, upencous and tolerant education.

"Resolved, That any and every religious protecting in the call city, the aldormen on a general clicket.

It shall have general control of the government of the city, and have power to only order regular expenditures on a three-fourth vote, extraordinary expenditures (for celebrations, &c.,) by a four-fifth vote, and those involving an increase of claim by an unanimous vote. It can only increase officers or salaries on the request of the department to be affected.

and tolerant education.

"Resoived, That section 10, chapter 576 of the Laws of 1869, relating to the city of New York, which in fact, though not in pame, appropriates nearly a quarter of a million of dollars annually for a few sectarian achools in this city, is unnecessary, was not called for by the people, is a violation of the American doctrine of equal toleration to all religious sects and public support to none, for the first time introduce sectarian remore into America politics, and array at the ballot box the Protestants against the Roman Ostholics.

"Remired That the American Remove the Protestants against the Roman Ostholics."

lved, That the Legislature be po

"Resolved, That the Legislature be petioned and is hereby called upon to repeal the said section, and take yees and mays on the vote, in order that the people may know what members are for the free schools and what members are for a State Oburch, and for turning education very the bickerings of religious secta."

The New York Evening Post says of

The campnign of the people of the United States against the conspirecy to desirely their system of education began last night with a blow which goes far to desirely their system of education began last night with a blow which goes far to desire the great result. The Cooper Institute was filled with an audience of too great weight in numbers, character and intelligence, for any body of politicians to dely; and they gave an enthusiastic approval teclear and decided statements of the principles of republican government, such that no party, even in Albany, will easily be reduced to overlook or forget them.

The taxpayers of New York have been betrayed by their representatives, and have been compelled, against their quiet but indignant powtest, to pay targe same of rooney for the support of schools to teach peculiar religious dogmas. The question is whether this betrayal shall be repeated; and the claim of such schools to support from the whole accord made a first processor.

of such schools to sun from the whole people made a fixed pr

The New York Times refers to the subfeet in the following terms:

feet in the following terms:

"The tide is rising. For a long time past only one section of the community seems to have been taking any active interest in the future of our school system. The general public has been satisfied that all fundamental principles were safe and that only minor details, not worth fighting for, were being made the ground of contest by seets. It is this sense of security which imperiis all great causes. While the people have thought that the schoola were beyond danger, a resolute attempt has been made to undermine them. We profess to sanction so alliance between Church and State, and there is no such alliance is evistence even yet, in fact; but the practical effects of it.

MENT SECURITIES,

No. 5 Massey Street, NEW-YORK,

Pebruary 15th, 1879

Owing to the good reputation and popularity of the Troches, many worthless and cheap imf itations are offered, which are good for nothing. The remarkable success which attended or The remarkable success which attended our negotiations of the Louns of the Crystan Pacific
Ratifical Company, and the Westen Pacific
Ratifical Company, and the popularity and credit
which these loans have maintained in the markets, both in this country and Enrope, have shown
that the First Mortgage Boads of wisely-located
and honorably managed Raifronds are promptly
corparational and roadily taken as the most suitable, safe, and advantageous form of investment,
yielding a more liberal income than can herenter
be derived from Government Bonds, and available to take their place.

Assured that, in the selection and negotiation of superior Railroad Loans, we are needing regreat public want, and rendoring a valuable service—both to the ledders of Capital and to those great National works of internet improvement whose intrinsic movic and substantial charactery entitle them to the use of Capital and the confidence of investors—we now ofter with special conductor and satisfaction the The most daring counterfait of said article, which has been attempted, has recently come to our knowledge. The engraved stand labed on bother counterfair the genuine bitters, with its beautiful vignette of St. Georgo and the drugon, its shield containing a merital vignet. shield, containing a warning mainst counterfer-ers, and its note of hand for "one sont" at the foot signed with our firm name, has been appeal so closely, that the fraud can only be detected on a minute inspection. The heart "
